WEBSITE

Dear Secondary Occasional Teacher Colleague,

I would like to take this opportunity to welcome you to a new school year as a member of the Occasional Teachers' Bargaining Unit (OTBU) of OSSTF District 12. As well as being a member of our local bargaining unit, you are also a member of the Ontario Secondary School Teachers' Federation (OSSTF), an education workers' union with a proud history of over one hundred years of working on behalf of its members and of public education in Ontario.

It is part of our responsibility as your union representatives to help maintain and defend the Collective Agreement (C.A.) under which you work. A copy of the C.A. can be found on the OTBU website. I encourage you to become familiar with this document so that you are aware of your rights and responsibilities as a secondary Occasional Teacher in TDSB schools. The OTBU is the only organization that can represent you with your employer.

You are part of a Bargaining Unit with a richly diverse membership. I encourage each of you to participate in the union through our meetings, workshops and committees to learn and benefit from the strengths and expertise of your brothers and sisters in the union.

An information email is sent out regularly. It contains important information about negotiations, member advisories, up-coming meetings, professional development opportunities and much more.

We also maintain a website, which provides up-to-date information about the things you need to know as an OTBU member. You may also want to visit the provincial OSSTF website: www.osstf.on.ca to get information about Ontario-wide OSSTF activities, issues, publications and initiatives.

If you have any questions about professional or work-related issues, please call us at 416-423-3600 or email us at otbu.office@d12.osstf.ca

If you wish to join the over 1800 OTBU members who receive periodic emails from us with up-to-date information, please send us your personal (non-TDSB) email address and we will add you to the list.

On behalf of the OTBU Executive I wish you a successful and rewarding year. Yours in

President, OSSTF District 12 OTBU

In solidarity,

Linda Bartram

What the OSSTF Does?

Founded in 1919, OSSTF/FEESO represents almost 60,000 public high school teachers, occasional teachers, educational assistants, continuing education teachers and instructors, psychologists, secretaries, speech-language pathologists, social workers, plant support personnel, attendance counsellors and many other educational workers.

The mandate of the Federation is to associate and unite teachers and all other employees of

educational institutions or local government bodies of whatever nature, or who are employed by or engaged by any organization which provides services to an educational institution or to a local government body, whether directly or indirectly, within the Province of Ontario, and to promote and safeguard their interests.

What we Stand For

Simply put, we are committed to *protecting and enhancing public education*.

This results in the greatest good for both our members and our province. This is because:

- Without a strong public education system, our diverse, open and prosperous society is threatened
- Without highly capable, dedicated teachers and educational workers, student success is jeopardized
- And without positive learning and working conditions, educational progress is undermined

As one of the most powerful, progressive forces in the educational community, OSSTF/FEESO can back up its beliefs with action – and really make a difference.

All our efforts to *protect and enhance public education* are founded on the value of public education and the five principles required to sustain it.

OSSTF/FEESO's Provincial Office operates in three major areas:

1. **Protective Services** which includes negotiations, pay equity, organizing new members and grievance/arbitration;
2. **Educational Services** which includes professional development, union training, curriculum testing, member resource materials;
3. **Communications/Political Action** which includes publications, media releases, media relations, lobbying, coalitions and international assistance.

In addition, the Provincial Office also houses the following departments: accounting, database services, information technology, certification, production, administration and a research library.

1. In early June the TDSB will send an email to your TDSB email account asking if wish to stay on the **OT roster**. If you do not respond in the affirmative by June 30th you will be dropped from the list. If you forget to do so by, during the month of July you can apply for re-instatement. If you realize by September that you forgot to do so, you then have to apply for re-instatement through recruiting. At this last stage there is no guarantee of being placed back on the OT roster.

3. You have to renew with the **Ontario College of Teachers** and pay by April 15th. You may do so after April 15 but they charge a penalty. You do this on your own, the TDSB does not deduct the fee from your pay-slip.
4. You are required as an employee to complete **compliance training courses**. These are available in *My Path* on the TDSB website.

The TDSB only contacts its employees via the TDSB email system. Check regularly.

The OTBU does union-related business using non-TDSB emails. Make sure the OTBU D12 has a non-TDSB email for you.

Pay

Short Term (Daily) Occasional Teacher pay rates are established through negotiations with Elementary Teachers' Federation of Ontario (representing the Elementary Occasional Teachers) and Ontario Secondary School Teachers' Federation (representing the Secondary Occasional Teachers). It may take one or two pay periods to see changes to pay rates. *See the OTBU Dd12 collective agreement.*

A Long Term Occasional Teacher will be paid in accordance with his or her appropriate grid placement (recognized teaching experience and qualifications) in accordance with his or her Collective Agreement. Long Term Occasional pay will be retroactive to the first day of the assignment. The annual salary on the salary grid is divided by 194 (representing the number of school days in a school year). The long term occasional teacher is paid 1/194 of the annual grid rate for each day worked (including applicable professional activity day(s)).

All Occasional Teachers are paid by direct bank deposit every 2nd Thursday in accordance with the pay schedule. Pay is always 2 weeks in arrears. Direct deposit requires the completion of an authorization form and a voided cheque. Your pay stub (a statement of earnings and deductions) will be available to view on myINFO on the Wednesday before pay day.

To access your pay stubs:

1. Go to myinfo.tdsb.on.ca via the TDSB [WEBSITE](#)
2. You will be redirected to the Academic Workspace (AW) page.
3. Type in your username and password and then click *Login*.

If you are between the age of 60 and 65, you are still required to contribute to CPP, there are no exemptions on this. If, however, you are at least 65 years of age but under the age of 70, are in receipt of a monthly CPP pension, you have the option to contribute to CPP, it is your decision. If you elect to not contribute to CPP, then you are required to complete the Canada Revenue Agency's CPT30 form (available on line at CRA's website www.cra-arc.gc.ca) submit the original to CRA as per the instructions on the back of the form and a copy to Payroll Services, TDSB, 5050 Yonge St., Toronto, Ont. M2N 5N8. You are also required to submit verification that you are in receipt of a monthly CPP pension to Payroll Services.

Employment Insurance (E.I.)

All Occasional Teachers are required to pay E.I. premiums, there aren't any exemptions for E.I. Occasional Teachers may be entitled to collect employment insurance for winter, spring and summer breaks, provided they have worked sufficient hours during the past 52 weeks to qualify for benefits and also satisfy availability and job search requirements. TDSB issues Records of Employment (ROE's) after the end of the school year; in mid-July. You will not be sent a paper copy of your ROE, an electronic copy is sent to Service Canada, therefore for further details please refer to www.servicecanada.gc.ca

Income Tax

Income tax will be deducted according to current tax schedules and a T-4 slip will be issued by the end of February each year.

Ontario Teachers' Pension Plan (OTPP)

All Occasional Teachers (other than retired teachers in receipt of OTPP) are required to contribute to the OTPP. Those Occasional Teachers in receipt of a teacher's pension must provide proof of retirement to Pension at:

Benefits/Pension Administration

to ensure pension premiums are not deducted. The Ontario Teachers' Pension Plan Premium Exemption Form for re-employed pensioners can be found at www.tdsb.on.ca, select Staff, log in, select Employee Services and then select Forms. OSSTF Benefit Eligibility for Long-Term Occasional Teachers

As was outlined in the recently ratified OSSTF Central Agreement for Teachers, OSSTF Benefits is pleased to advise that effective September 1, 2020, Long-Term Occasional Teachers (LTOs) from all OSSTF Districts will be eligible for participation in the OSSTF

Who is eligible?

LTO teachers are eligible for coverage under the OSSTF Benefits Plan during their LTO position if they are working on an assignment of 90 calendar days or longer.

When is coverage effective?

Coverage is effective on the first day of an eligible assignment.

When does coverage terminate?

Coverage ceases on the last day of an eligible assignment.

What if the length of the assignment is unknown, or originally scheduled to be less than 90 calendar days and then extended?

The member will be eligible to enroll in the plan retroactively to the first day of their assignment. Standard premium contribution rules will apply. If a premium is required, it will be retroactively billed.

Claims for eligible expenses incurred will be honoured retroactively to the first day of the LTO assignment. Members are encouraged to keep their health and dental receipts if they expect their assignment may be extended.

What if a 90-calendar day LTO position gets shortened unexpectedly?

If a 90-calendar day LTO position gets shortened unexpectedly, then coverage will cease when the LTO assignment ends. Members will not be required to repay any claims that were incurred during the term of the assignment.

What benefits are provided?

Basic Life and Accidental Death and Dismemberment Benefits (AD&D) are provided for all eligible members based on two times annual earnings. The cost of these benefits is 100% funded by the negotiated Board Paid FTE Contributions while a member is active or on a statutory leave.

Extended Health and Dental Benefits are voluntary. Members will have 31 days from the time they receive their enrolment invite to elect to participate in health and/or dental benefits. Member contributions towards these benefits are based on 6% of benefit premiums for members on a 1.0 Full-Time Equivalent (FTE) assignment and pro-rated member contributions for less than 1.0 FTE assignment. Sample member contributions are posted on the OSSTF Benefits website Member Contributions towards Health & Dental Benefits

Optional Life Benefits are also available on a 100% member-paid basis.

How does an eligible member enroll?

Boards send data updates to OTIP (the Third-Party Administrator of the OSSTF Benefits Plan) every two weeks. Information about members who have accepted a new LTO assignment is included in this data. When OTIP processes this data, an enrolment invite is initiated and sent via email to the member. This email is sent to the member's board assigned email address. We encourage members to also indicate a personal email address as their preference during the enrolment process which will allow any future communications to be sent to the member's personal email address.

All eligible members are automatically covered for the Basic Life and AD&D benefits based on two times annual earnings. Members have 31 days from the time that they receive this invite to enroll in the health and/or dental benefits. During the enrolment

process members are advised of the monthly premium that they will be required to pay towards the benefits if they elect to participate. If elected, health and/or dental benefits are implemented retroactive to the first day of the eligible assignment. Eligible claims will be honoured and can be submitted after the benefits enrolment is completed and processed. Members who enrol in the health benefit will be provided with a benefits card indicating the OSSTF ELHT Plan # 200501, and the member's unique identification number. Temporary benefit cards can be printed by the member as needed by logging into My Benefits through OTIP.com.

What if I do not enrol in the health and/or dental benefits within the 31-day enrolment opportunity but wish to enrol at a later date?

If you experience a life change event during an eligible assignment, you may enrol in the health and dental benefits or make changes without evidence of medical insurability. These life change events may include:

- increase in FTE
- birth/adoption of a child
- marriage/common law qualification
- loss of spousal benefits

You will need to complete your enrolment or make changes within 31 days of the life change event.

Note: Eligibility requirements are based on the member being actively at work or while on a qualifying statutory leave.

If a member does not elect to participate in the plan within 31 days of receiving their initial invite but wishes to join the plan at a later date during an eligible assignment without a life change event taking place, they will be considered a late applicant. This means that dental benefits will be subject to a \$200 maximum in the first 12 months of coverage, and that Extended Health Care benefit would have to be applied for with proof of good health (evidence of insurability). The Extended Health Care coverage will not be in place until the evidence of insurability is approved, and the coverage could be denied.

Note: These "late applicant" rules also apply to eligible dependents if application is not made within 31 days of initial eligibility or an eligible life change event.

Does coverage continue over the summer for an LTO member whose assignment concludes at the end of the school year, but who begins a new assignment in September?

If an LTO assignment of 90 calendar days or longer ends at the end of the school year, benefits coverage will also end on the last day of the school year. If the new LTO assignment starts in September and is 90 calendar days or longer, benefits will be reinstated in September when the new LTO assignment commences.

If a member has a permanent contract and an LTO assignment at the same time, do they get full benefits coverage (e.g. .333 contract and .667 LTO)?

The FTEs and salary for the contract and LTO position will be added together for the period of time that the member is active at both. Member contributions towards the health and/or dental benefits will be based on the combined FTE. If the member wishes to continue their health and/or dental benefits after their LTO assignment ends, member contributions towards these benefits will increase to be based on the contract FTE only.

If a teacher with an LTO assignment of 90 calendar day or longer goes on a statutory leave (e.g. maternity leave, sick leave, WSIB), will they be eligible for benefits while on leave?

Yes, they will be eligible for participation in the OSSTF Benefits Plan up to the last day of their LTO assignment. Member contributions towards the benefits for members on statutory leaves are the same as active members.

For an LTO teacher who ends and begins another eligible assignment, what happens to the claim history from their first assignment?

OTIP will send an email to this member to invite them to re-enrol in the OSSTF Benefits Plan. The member can use the same plan and OTIP ID numbers on their benefits card from the first assignment. Their claims history will follow them into their next assignment. Therefore, any claims submitted in the previous assignment will affect benefit maximums available in the new assignment.

2021/2022 OSSTF Occasional Teachers

As outlined in the Letter of Agreement between the Ontario Public School Board Association (OPSBA) and the Ontario Secondary School Teachers' Federation (OSSTF); "with respect to daily occasional teachers, where benefits coverage was previously provided by the Boards, payment-in-lieu will be provided".

Note: The benefit plan as outlined below is only available to those OSSTF Occasional Teachers (OT) who are active on the Secondary OT list for the 2020/2021 school year. If you did not comply with your Occasional Teaching Collective Agreement (completed the required days and/or renew online by June 30th), and you did not receive an approved reinstatement email in your TDSB email account from the Occasional Teaching Office, you are not eligible to the payment in lieu reimbursement.

Eligibility for payment-in-lieu (employer funding) is based on the benefit eligibility criteria of the 2014-2019 Collective Agreement. As a result of school closures in response to the COVID-19 pandemic, an agreement was reached with your Union to reduce the minimum number of days required to work during the current school year from 90 to 60 days. Therefore, in order to be eligible for the 2021- 2022 school year, a Secondary Occasional Teacher must work at least 60 full-time equivalent days in the previous school year.

As you have met the benefit eligibility requirement, you are entitled to employer funding equivalent to the lesser of:

- a. **\$248.78*** per month (for 2021-2022); or
- b. 50% of the actual premium cost for each month you are enrolled in a benefit plan.

This amount is to be used for the sole purpose of purchasing from among health, life and/or dental benefit plans.

	<i>Monthly Premium Cost payable to the Insurance Provider of your choice</i>	<i>TDSB</i>
<i>Funding (Payment-in-lieu reimbursement) Maximum (2020-2021)</i>	<i>50% of the Actual</i>	<i>Premium Cost</i>
<i>TDSB Actual Payout = the Lesser of (a) or (b)</i>		

Scenario 1	\$300.00	\$248.78*	\$150.00	\$150.00
------------	----------	-----------	----------	----------

Scenario 2	\$500.00	\$248.78*	\$250.00	\$248.78
------------	----------	-----------	----------	----------

***Please note: the maximum reimbursement amount listed above is subject to change upon ratification of the local collective agreement and any retroactive payments will be processed accordingly.**

Please note TDSB has already forwarded the benefit eligibility listing for the 2021-2022 school year to OTIP.

Based on the eligibility list OTIP will be communicating with eligible Occasional Casual Member (OCM) members in the coming weeks. You will receive a "welcome package" and an invitation to enroll in the OCM plan via the OTIP secure site. In order to enroll in the OCM benefit plan, you will need to complete the EA form on the website and confirm your interest

premiums, where applicable.

You may also wish to contact other insurance providers in the marketplace to determine the plan that best meets your needs.

Please send your proof of benefit enrolment letter as soon as possible to **Compensation, Benefits and Pension Administration, 4th Floor, 5050 Yonge Street, Toronto, Ontario, M2N 5N8** no later than **July 31, 2022**. You also have the option to scan the proof of benefit enrollment and send it via email to BenefitPensionAssistance@tdsb.on.ca or to your Benefit/Pension Assistant. Any documentation provided after the school year has ended, is subject to review. For accurate financial reporting all OSSTF payment in lieu payments ideally should be paid to employees during the school year that they qualify in.

When an OSSTF OT employee who is receiving payment-in-lieu has a benefit rate increase mid-year or purchased additional coverage after the initial benefit sign up (i.e. travel insurance) the employee has the responsibility to notify the Board as soon as possible so the monthly payment-in-lieu amount can be adjusted accordingly (the lesser of: 50% of the new amount or \$248.78* per month).

Please note: If at any time during the school year you acquire a permanent benefit eligible position, your payment-in-lieu will be ended automatically as you would then qualify for benefits under the new permanent position and you cannot be enrolled in two benefit plans at the same time.

If at any time during the school year you decide to terminate the benefit coverage with your insurance provider, you are required to notify the Board immediately at which point monthly payments-in-lieu will cease effective the end of that month.

Please note that while we will only request initial proof of enrollment; in order to ensure accuracy and compliance in the administration of this payment-in-lieu provision we will conduct random audits and may request all monthly receipts to ensure eligibility rules are adhered to. As such, please ensure that you retain receipts regarding proof of enrollment and payments for up to 18 months from the date of initial enrollment.

At this time communication via email is preferred. If you have any questions for your Benefit/Pension Assistant the [Benefit/Pension Department Contact list](#) is available on the TDSB website under Employee Services/Benefits/[Contact us](#) tab.

QECO

Qualifications Evaluation Council of Ontario

QECO/COÉQ serves teachers who are members of AEFO, ETFO, OECTA, and OSSTF by recognizing their commitment to education and their professional development.

All teachers who are members of the above-sponsoring affiliates need to be evaluated by QECO/COÉQ to obtain a salary category placement between Category A and Category A4. A QECO/COÉQ evaluation is based on individual academic achievement, as determined by Program 5.

QECO/COÉQ only communicates with the teacher. After receiving a new QECO/COÉQ evaluation, it is a teacher's responsibility to submit the QECO/COÉQ Statement of Evaluation to his/her school board for salary category placement.

The QECO evaluation process is recognized by all school boards in the province. Board deadlines and practices with regard to QECO evaluations are determined by negotiation between teachers and their employers and will not affect the integrity or the speed of the evaluation.

Teachers must be aware of their collective agreement language pertaining to QECO deadlines. **The onus is on the teacher to ensure he or she meets those deadlines. Turnaround time for an evaluation can vary from as short as one week to as long as three months, depending on whether or not all necessary documentation is provided by the teacher.**

Bear in mind that QECO operates on a first-come-first-served basis and that the volume of applications influences the time required for an application to be processed. Also be aware that applications made without the required courses being completed, or without the appropriate supporting documents being submitted may result in lengthy delays or the application being returned.

Go to the QECO website for additional information.

PD Days, On-Calls, Staff Meetings

On-Calls for OTs

Our CA has always allowed for full-period on-calls for daily OTs. In the past it has been 'understood' that on-calls for OTs are one half of the period. The shortage of daily coverage that was caused by COVID resulted in some schools assigning full-period on-calls for daily OTs. Schools generally try to avoid this, but, to ensure that the FTE maximums (27 +5) and the POR maximums (14) are maintained, they have leaned heavily on the OTs for coverage.

On-Calls for LTOs

Administrations normally follow the maximum for FTE teachers- 27+5 for LTOs, but are also known to take advantage of there being no language in the CA for limits for LTOs.

LTO Rollover

On the 10th day of doing the timetable of one teacher, the job becomes an LTO. Pay is retro to the start of the assignment. This should be automatic, but it is a good idea for the member to check with the admin to ensure their status is updated. The difference in pay may not show up for two or three pay cycles. During the 2021-2022 school year, it was taking up to 4 pay cycles for retro pay to be received.

OT/LTO and Sick Days:

Sick days are pro-rated for LTOs and appear on the pay stub. Daily OTs have NO sick days.

OTs and LTOs and Staff Meetings:

Daily OTs are not required to do staff meetings or parent/teacher interviews. Admin may ask you but you do not have to say yes. That is your call. LTOs are expected to attend staff meetings and parent/teacher interviews.

If your LTO ended on Friday and you are now a daily OT at the same school that is acceptable. If you are in for the same teacher, same timetable, that is different.

CA p.47 12.9.o Long Term Occasional Teachers in alternate day or half day assignments shall not be required to attend parent-teacher interviews, staff meetings, or Professional Activity/Development days during the period for which they are not scheduled to work, without compensation at the LTO rate.

Working with School Support Staff

Please be aware that there is a host of non-teacher personnel employed by the Board to support the learning needs of students in school settings across the system, at both the elementary and secondary levels. These positions include but are not limited to:

Educational Assistants (EAs)

Special Needs Assistants (SNAs)

Food Program Assistants

Early Childhood Educators (ECEs)

Child and Youth Workers (CYWs)

Child and Youth Counselors (CYCs)

In your role as an Occasional Teacher you may have occasion to interact, either directly or indirectly, with many of these support staff. The expectation of your employer, and the *Education Act*, is that you will work cooperatively and collegially with such personnel to provide the appropriate level of support for students assigned to your care and instruction.

Should you have any questions or concerns regarding respective responsibilities of teachers and support staff, you are encouraged to speak to a school administrator or consult with your union executive in a timely manner.

Best Practices for the Occasional Teacher

Some common sense approaches when working with students.

1. If you must speak to a student alone after class, keep it short and professional. Stay in view of the hall. Stand by the door. Have another teacher nearby.
2. Maintain your "personal space". Don't let students crowd around you or your desk.
3. Do not spend time with students outside of your professional responsibilities. Participate only in school board endorsed activities with students.
4. Maintain professional communication and relationships with students, parents and colleagues. Think carefully about what you say, write, or post electronically. Your words and gestures can be misinterpreted, to your detriment.
5. Do not share phone numbers, email addresses or personal websites with students.
6. Do not take photos of students, unless authorized by the Principal.
7. Do not befriend students on any social media websites.
8. Do not offer students rides in your private vehicle in contravention of the Board's transportation protocols.
9. Be extremely cautious about touching students. Unnecessary physical contact with students is fraught with professional risks. Best advice; never touch a student for any reason in any way.
10. Call for assistance from the office before a situation gets out of control. Explain that you are concerned that the situation seems to be escalating and that you are being proactive in heading off problems. Know the office phone number before you head to class.
11. Document anything that happens during the day which seems even slightly out of the ordinary. Keep your notations to the facts and write down the essential W's - who, what, when, where and that other W – witnesses. Keep a copy of your notes.
12. Be familiar with the school's procedures governing student conduct, progressive discipline, office referrals, emergencies, and the like.
13. Raising your voice is not an effective classroom management strategy.
14. Keep the classroom door open, if possible.

Never Leave Students Unattended

Classroom Management

Occasional Teachers are expected to manage a classroom in accordance with the duties of a Teacher as outlined in the Education Act and Regulations, and Toronto District School Board Policies and Procedures.

Good Classroom Management Includes:

1. Greeting students as they enter the classroom.
2. Placing yourself where you can see and be seen until the class has settled down (the first few minutes of an assignment are crucial in setting the tone for the day).
3. Using the attendance procedure to establish a rapport with the class.
4. For attendance have the students sign their name on a sheet of paper.
5. Using appropriate proximity and eye contact strategies.
6. Presenting a positive attitude including respect for students.
7. Delegating simple tasks to students.
8. Getting students' attention quickly, and then waiting for them to listen actively to you before giving instructions.
9. Limit movement of students, as appropriate, to complete the assignment while they are working – this is where the re-teaching occurs for students who need more help.
10. Approaching students and situations in a problem-solving manner and positive tone of voice to avoid escalating a confrontational situation.
11. Ensuring students are kept busy with constructive work related to their studies.
12. Involving students in the lesson by encouraging active participation.
13. Calling the school administration (Principal or Vice-Principal) before a difficult situation escalates into a crisis.
14. Calling the office if referring a student to the office for discipline, describing the problem and advising the office that a student is on the way. Inquire about any school and/or Board forms required in such situations.

Never Leave Students Unattended

Handling Common Situations

1. No keys? Ask OA for caretaker's info.
2. Need to go to the washroom during class time? Call the office to send someone to your class or flag a school based safety monitor down. Do not leave the students unattended
3. Student's behaviour escalating? Remember that ALL behaviours are just communication, what is this student trying to say? Approach situation with humor where appropriate to de-escalate, have a private conversation with the student outside of the class, otherwise call office for a school based safety monitor to assist. Do not raise your voice. Call the office
4. Student wants to leave early? Call office and a school based safety monitor will come and escort them to the office to sign out.
5. No lesson plans? Improvise!

Preparing for your Job COVID –Edition

MOE and TDSB COVID restrictions for the 2022-2023 school year have been lifted. The list below was for the 2021-2022 school year. Check the OTBU D12 website and the TDSB website for updates.

Here are some things to consider when preparing:

1. Call the office and ask what entrance to enter from (there are staff designated entrances/exits!).
Wear a mask of your own until you get to the school.
2. Carry as minimal items as you can-- minimise the things you need to disinfect at the end of the day.
3. School will provide you with a board-approved mask, (face shield if requested). Keep mask on at all times while in the school except to drink water from your water bottle. Sanitizer should be available to use in the classroom already, if not, call the office from your classroom and ask for one.
4. Don't expect to mingle in the hallways :(-- greet without contact, keep 2m distance away for your own protection and others'.
5. Wash hands frequently and keep frequently touched surfaces clean--sanitize your phone screens, keys, etc. (Caretakers wipe down high touch surfaces in the school twice a day).
6. Consider planning some contactless activities to run with students. :
7. When working with a student, if you need to get within 2m of them, **USE YOUR FACESHIELD + MASK. #safetyfirst**
8. Only 1 person in the staff washrooms at a time.

Long Term Occasional– LTO

What is a LTO?

When you are in for the same teacher, same job for a minimum of 10 days. LTOs are paid at the contract teacher grid rate, count towards experience and can access other benefits (see the CA).

Types of LTOs—Two Types

1. Rolling LTOs

You start a job as a daily OT, and if you work a for 10 days straight for the same role/teacher, you will qualify for LTO pay for the duration of that assignment, retroactive to your first day in that position.

This can happen as an OT and will count as LTO experience for you to get onto the LTO list (no interview required anymore for this).

2. Posted LTOs

When a school knows that a teacher will be absent for a least 10 days or more– months or the full year, the school will post (advertise) for the position. Posted LTOs require an interview.

The interview process

- If you apply and receive an interview you will hear back if you were successful or not.
- If you are successful and offered a job (after they submit your name to **Employee Services** and can offer it to you may begin working immediately at LTO pay.
- After 10 days they will submit your paperwork to transition fully into LTO pay. This can take up to two months for LTO pay to kick in but you will paid back.

Where can I find LTO jobs?

- [TDSB Staff Site](#)
- Must be on the “LTO List” to apply to first-round postings (August?)
- Come September when second round postings go up, you can apply as an OT (the posting will note whether you are able to apply or not).
- Job postings usually close Fridays, calls for interviews usually go out the following week, but sometimes can come two weeks later (esp right now)
- You have 24-48 hours notice (sometimes less) about interviews.
- Sometimes email notice, sometimes notified through a call to offer you an interview.
- Ensure your contact info is up to date!
- If you are not available at that time say so! They will accommodate you at another time.

LTOs and the Dispatch System:

School Shall	Occasional Teachers Shall
<ul style="list-style-type: none"> Once the occasional teacher has been hired into the LTO position it is the responsibility of the school to ensure that a job is created (usually 3-4 weeks) on SmartFindExpress until the LTO assignment is processed so that the occasional teacher is paid in a timely manner and does not receive calls for other work. If you are creating jobs in SFE for an absent teacher on sick leave, and the teacher is then put “on leave”, 	
<p>all future dated jobs will be cancelled in SFE. You will need to monitor this to ensure that a vacancy job is created in order to pay the occasional teacher until the occasional teacher is set up as the LTO.</p>	
<ul style="list-style-type: none"> On the 10th day of the assignment it is the responsibility of the school to submit the paperwork to Employee Services in order to have the Occasional Teacher set up as an LTO. 	<ul style="list-style-type: none"> If you receive a cancellation call for a job in SFE where you have been working towards your 10 day status, you should check with the school regarding your status. The teacher you are replacing may have been put on leave which caused all future dated jobs to be cancelled.
<ul style="list-style-type: none"> Once the LTO appointment is set up and the LTO's name appears under the school list in SmartFindExpress, it is the responsibility of the school to advise the LTO to block themselves on the SFE dispatch system for the duration of their assignment. 	<ul style="list-style-type: none"> If the LTO does not do this, he/she will continue to receive phone calls for work. Information on how to block themselves is available in the Quick Reference Cards at the back of this Handbook.
	<ul style="list-style-type: none"> If you have been hired as a half time LTO, you will need to block yourself off by adding unavailability dates in SFE. If you are a half time LTO who works every other day you need to follow the same procedure and add unavailability dates to block the days that you are not available. If you are a half time LTO who works every other day as an occasional teacher, you need to remind the schools where you work as an occasional teacher that they need to split your full day job into two half day assignments for two different days (see pg 40 for form). Unavailability dates will need to be done on a weekly basis.
	<ul style="list-style-type: none"> Once your LTO has ended, it is the responsibility of the Occasional Teacher to ensure that he/she is available again on the SmartFindExpress system to receive calls for daily work.

WHAT TO EXPECT WHEN ISSUES ARE INVESTIGATED

IMMEDIATELY:

When a principal wants to discuss an issue that may lead to professional discipline, express your willingness to cooperate, but say that you cannot comment until you have contacted the OTBU. It is the principal's responsibility to remind you of your right to Union representation.

Phone and email the OTBU office and urgently request representation. 416-423-3600 otbu.office@d12.osstf.ca

For your own records, write down your recollections of the day & class in question (if known), or the possible interactions you think may be the subject of the investigation.

Do not talk to colleagues or anyone else about the situation, because they could be required to be witnesses as a result.

THE INVESTIGATION PROCESS:

If the issue requires Police or CAS involvement, the Principal will contact them.

Opportunity To Respond Meeting (OTR)

The meeting will take place at the school or virtually, usually within one week of notification that there will be an investigation. Along with you, two OTBU representatives and two administrators will be present. The administrator will already have conducted an investigation at the school level with the parties involved or witnesses. At the OTR, they will ask you approximately 10 prepared questions, to get your perspective on the alleged issue. Notes will be taken by admin and the Union. A private caucus room will be available for us to use if we feel it would be helpful to pause the meeting for a short while in order to have a discussion.

Outcome Meeting

At this meeting you will be informed of what sort of discipline, if any, you are receiving. There will be two administrators and one OTBU representative with you. There is little, if any, opportunity for discussion at this point.

If the OTBU feels there is cause to object to the outcome decision, we may take action on your behalf to mitigate the discipline.

TYPICAL DISCIPLINE:

Verbal Counsel/Caution (professional advice on how to handle the situation differently next time)

Letter of Counsel, which: same as above in letter form, which remains with the school

Letter of Discipline expressing which policies were violated, which goes to the Board. There may be several outcomes outlined in the letter: a block from the school for a specified period of time, requirement to take a short workshop to update your skills/knowledge, suspension without pay for a specified period of time, and in the worst case (rare), termination of employment.

WHAT YOUR OTBU REPRESENTATIVE WILL DO FOR YOU:

Inform you about what to expect in the process and attend meetings with you

Be certain the proper procedures are followed and take notes

Pause the meeting to caucus privately if necessary/desired by either of us

TIPS:

Be on time and turn off your cell phone ringer

Be honest and professional

Be brief; just answer the question, without elaboration

Stay away from blame (of staff, students, administrators, colleagues, parents, community members)

Bring water

Show that you have an understanding of the perspective of all parties involved in the issue

IT'S OKAY:

To become emotional (this is a highly stressful situation for you)

To say, honestly, "I don't remember", "I don't know", "I respectfully disagree", "I need to think about that for a minute"

To ask for a break to caucus privately with your union reps

ARM– *Active Retired Members*

ARM Website

Active Retired Members (ARM)

In 1996, OSSTF/FEESO established a new type of membership specifically for Active Retired Members (ARM). This allows retired members of OSSTF/FEESO who wish to remain actively involved with their colleagues politically or socially to rejoin OSSTF/FEESO.

Active retirement offers an opportunity for continuing involvement with the educational community at both the local and provincial levels.

Local chapters of ARM have been or are being organized to provide members with opportunities to gather for social events and/or political action activities.

The experience, skills and abilities of retired members are valuable resources that should be utilized to further goals in areas such as political action, legislative lobbying, crisis assistance, research, communications, and public relations.

ARM Organization

In 1996, the Ontario Secondary School Teachers' Federation (OSSTF) established a new type of membership specifically for Active Retired Members (ARM). For a \$50 annual fee, ARM allows retired members to remain actively involved politically and socially with their colleagues. The fee is charged by OSSTF each January. If you join ARM mid-year, the fee is waived until the following January.

Maternity Leave

General information

You are entitled to take maternity and parental leave no matter how much you work, the TDSB will always give you the time off, whether in an LTO or doing daily OT work.

You have the choice of 12 month or 18 month leave. You can change your leave return date with at least 4 weeks notice to the Board in writing. You can apply for the leave of absence with this form. [http://www.otbud12.com/media/Occasional-Teaching-Leave-Request-Form-\(Revised-August-2020\).pdf](http://www.otbud12.com/media/Occasional-Teaching-Leave-Request-Form-(Revised-August-2020).pdf)

In order to qualify for EI Maternity / Paternity benefits, you must have a certain number of insurable hours under EI. In normal times, this was 600 hours in the year prior to taking mat leave, however the Government has changed this recently in some cases to reduce the number of hours required, as many people were not able to work due to COVID. You need to consult Service Canada for your specific eligibility requirements and to see what the policy is/will be when you take your leave.

You can choose 12 month or 18 month options, both result in the same dollar amount, just spread out over a different period of time. Once you choose the 12 month or 18 month option, you cannot change this with EI. There are also additional weeks available if you share the leave with your partner. See the government website for specific details.

EI pays a percentage of your average weekly earnings of the previous 52 weeks. Click here for more info or contact Service Canada directly. <https://www.canada.ca/en/services/benefits/ei/ei-maternity-parental.html>

Continued next page...

Maternity Leave... continued

You may find it advantageous to take 18 month leave from the TDSB, but take 12 months from EI. This would allow you to have more time off (reduce cost and burden of childcare) but also the flexibility to return to work, should you have the financial need to do so.

Teachers on daily casual assignments are not entitled to pregnancy leave benefits.

If you are in a LTO at the time you start maternity leave, you are entitled to apply for a 'top up' to be paid in addition to your EI benefits, called the SEB Supplemental Employee Benefit. Click here for the application form: <http://www.otbud12.com/media/SEB-Schedule-II.pdf> This provides for a short time top up on your EI. If you have already finished your LTO, then you are not entitled to claim for this.

You are allowed to take your mat leave and EI up to 12 weeks prior to giving birth, so you might find it advantageous to take you leave earlier, in order to get the supplemental 'top up' SEB, or you can work right up until you give birth, the choice is yours.

If you have a medical reason for not being able to work you can book off and use disability days until they run out or you give birth. You will need the doctor to fill out the application attesting you have a valid medical reason / condition. Contrary to what some people believe, just being pregnant is not enough.

You can voluntarily start her mat leave up to 12 weeks prior to the day you are expected to give birth. There is no medical evidence needed for this.

For more information on **Pregnancy Leave** see page 49 of the OTBU D12 Collective Agreement 2020-2022. Available on the OTBU D12 website <http://www.otbud12.com/>

Sick Days for OTs and LTOs

For Daily OTs

Daily OTs do not receive sick days.

LTOs

The sick day entitlement is 11 sick days for the year and 120 short term disability days. LTOs accumulate approximately 1 sick day per month of the LTO worked. You may be asked for a doctor's note.

From the Collective Agreement:

"A long term occasional teacher who works more than one LTO assignment in the same school year may carry forward sick leave and STLDP from one LTO to the next, provided the assignments occur in the same school year."

The sick days you accumulate over first semester are carried over to any LTOs you have for the rest of the school year, whether they are at the same school or not. Your sick days will *not* carry over to the next school year. I hope that helps! There is no

There is no 'pay-out' for unused sick days.

In addition to the 11 100% paid sick days, you have access after that to up to 120 90% paid short term disability leave days for the year.

If you need to take more than a couple days off in a row, you would be wise to obtain a doctor's note. The note should not go into details on the diagnosis, it should simply state something to the effect that you need time off from work due to an issue of physical or mental health. The note would go to the school admin if the school admin requests it. You may also wish to inform your admin if you need to be away for more than a few days, so the school can get sufficient OT coverage. If you go on sick leave as an LTO, the paid sick leave won't continue past the end of your assignment.

Infectious Disease Emergency Leave form. This can be found on the TDSB website (after you login). Under Employee Services, select Forms then on the left hand side select Occasional Teaching. You'll find the [IDEL form](#) there. You may be eligible for up to 3 days at \$200/day. After speaking to my exec, it seems the IDEL is the way to go.

Professional Development Days for OTs and LTOs

OTs

PD days for daily OTs are unpaid. Twice a year, in November and February, the OTBU organizes PPD events. This is voluntary.

LTOs

As long as the member has been in an LTO assignment for at least 10 days they are paid for the PD/ day provided they are present for the activity. This is compulsory to LTOs.

On-Calls

OTs

Daily OTs can be assigned full period on calls. There is no upper limit on the number per year.

LTOs.

In our Collective Agreement is a 'Letter of Understanding' that LTOs be given the same workload as contract teachers. Contract teachers do have a limit on the number of on calls they can do in a given school year.-27 half period on-calls and five additional supervision periods.

*A "Letter of Understanding" is an agreement between two or more parties outlined in a formal document. **It is not legally binding** but signals the willingness of the parties to move forward with a contract.*

ALTOs

Assigned Long Term Occasional

The OTBU for years has proposed that the TDSB have some OTs assigned to one or two schools to be their daily OTs. During 2021-2022 due to COVID there was a shortage of OTs . The vacancy rate was at record levels and some schools in the geographic edges of the TDSB, with a smaller pool of available OTs , had severe shortages. In the second semester the TDSB ran a pilot program testing the feasibility of an initiative called ALTO (Assigned Long Term Occasional) where a daily OT was assigned to one or two schools but treated as an LTO placement. This initiative began in the second semester. Whether the ALTO program will continue into the 2022-2023 years has yet to be decided.

From the TDSB

An ALTO Teacher is an Occasional Teacher who may be assigned to one or more schools at the Board's discretion, for the purpose of providing coverage for full and or half day secondary school contract teacher absences.

Anyone who is placed into an ALTO Teaching position will be paid as a Long Term Occasional Teacher (month to month assignment that may end earlier but not later than June 30, 2022), and will receive all of the entitlements of a Long Term Occasional Teacher. ALTO placements are done so without an interview.

FREQUENTLY ASKED QUESTIONS

What is the importance of a job number?

The job number links your assignment to payroll and creates a work record which can be referenced for future clarification. It is important that you record the job number and always take the job number with you to the school.

What happens if I need to review my job after the start time of the job?

Once the job has started – e.g. 8:30 a.m., you can only review your job on the SFE website, not on the phone.

What happens if I have to cancel an assignment on the day of the assignment?

If you must cancel on the day of the job, you have a responsibility to notify the school at the time you cancel in SFE. If no one answers your call to the school, leave a message on the voicemail. The later you cancel, the harder it is for SFE to find a replacement. Please avoid cancelling assignments where possible to ensure stability and service for our students.

What happens if I arrive at the school and I am told the assignment has been cancelled for that day?

Contact the SFE Help Desk at 416 338 4747 Ext. 3

What happens when SFE calls me for a job and I already have a job booked for the same day?

SFE has not made a mistake; you could be called about your job being cancelled or a future job/cancellation. A new job offer is an indication that the job you previously accepted has been cancelled.

What happens if I already have a job for tomorrow and the school I'm at today asks me to stay?

Sometimes a situation may arise where a job may be extended. When a job is extended it may conflict with a previously accepted job.

As a courtesy, please call the school when you are cancelling an assigned job.

In order for the current job to be extended, you must cancel the previously accepted job as soon as possible.

What should I do if I receive a late call?

The TDSB has an obligation to make every effort to have a fully qualified replacement in every classroom. The Dispatch System will continue to call for a replacement even when the students have already entered the class. However, if you are considering accepting a late call, you should be ready to leave as soon as you hang up the phone, and arrive no later than 1 hour from accepting the assignment. Call the school to let them know you accepted a late call and inform of expected time of arrival.

What time should I arrive at the school?

You should arrive no later than 15 minutes prior to the start of the time of the SFE job. You should always consider distance and travel time. For example, if you live in Pickering and the job is in the West part of TDSB, leave that job for someone who lives closer. The expectation is that you arrive within one hour of accepting the job. Call the school to inform them you are on your way and you will be late.

How do I find out where a school is located?

Access the “[find your school](#)” page on the TDSB website at
<www.tdsb.on.ca/findyour/school/byaddress.aspx>

If you are unsure of the directions to the school – you can visit some great online resources listed below for direction, such as [Google Maps](#) - <<http://maps.google.com>>.

Can I decline assignments?

Yes, however, in the morning if you decline five (5) jobs the system will stop calling you with job offers for that school day. There are no restrictions during the evening call out. The TDSB counts on replacement staff maintaining the continuity and excellence of the learning process.

What happens if I (or an answering machine) hang up the phone without entering my Access ID and PIN number?

The result of the call from SFE will be a “no answer”. During the morning call out, five (5) “no answers” will disqualify you from receiving further calls for jobs for that day.

Will I be able to hear or view future jobs that are available for me to accept?

Yes, after 12 noon each day you will hear or view jobs for which you have been specifically requested. If you are the next person in the queue, you will hear or view jobs for which you are listed on priority lists and any other open jobs where you are next in the queue and for which you are qualified in quadrants you have indicated.

What happens when I am listening to a job and I get a message “this job is being offered”?

If you hear this message it is because SFE is in the process of offering the job to another replacement employee.

Can I listen to what is available before making a choice?

Yes, you may be presented with up to five (5) jobs per call-in. As you listen to each job, you can have it repeated. You can accept the job, decline the job or ask to hear another job.

Other employees may be logged on at the same time and hear the same options and could accept one of those jobs.

What happens when I am searching for jobs on the web and I see a job with a message “In Call Out” mode?

You are only able to view the job but not accept if the job is in “call out” mode. The message on the screen will say “This job is currently being offered to a substitute. You may retry later.” You can accept or decline a job only when “Details” is displayed on the screen.

We discourage you from using SFE on the web during callout times.

Can schools request me?

Schools may personally contact you to be pre-booked. Once this is done the school should immediately enter the job in SFE to provide you with a job number; or

The school may enter the job into SFE and specify you as the requested replacement employee. When you receive a call for a job under this circumstance, either accept or decline the job immediately.

You must only accept jobs for the position(s) for which you are approved to work in by Employee Services.

What happens if a school specifically requests me, or places me on their priority list, but I have not indicated on my profile that I am willing to work at the school or in that quadrant?

Special requests and priority lists take precedence. You will be called for that school.

If you do not want to be called for that school, you should call the school and ask them to take you off their priority list.

What happens when I am successful for an acting or term assignment but have committed to future dated jobs at a different school?

You need to cancel out of all jobs that you accepted prior to getting the acting/ term assignment; and then make yourself unavailable for the duration of the assignment so that you do not receive calls from SFE.

How do I change my availability or schedule?

You need to make yourself unavailable in SFE and make the following choice: “Do you wish to be called for future jobs?” If yes, SFE will continue to call you for jobs beyond your unavailable period. If you are planning to be out of the country, make sure you click that you do not want to be called for future jobs – otherwise your voice mail may fill up with SFE messages.

If you will be unavailable for greater than a few weeks, and particularly if it’s related to illness or injury, please contact the Support Staff Recruitment Office: [sup-
portstaff.recruitment@tdsb.on.ca](mailto:supportstaff.recruitment@tdsb.on.ca) so that we can advise you of our process.

SFE BEST PRACTICES

Review the [SmartFindExpress Home Page](https://tdsb.eschoolsolutions.com/logOnAction.do) frequently for important information here:

<<https://tdsb.eschoolsolutions.com/logOnAction.do>>

1. If you know that you will not be available to work on a particular day, please make yourself Unavailable in SFE so the system will not waste time calling you for jobs. That will free up the system for your colleagues. Otherwise, the SFE system will continue to call you instead of calling other Replacement Staff. You must modify your Unavailability in SFE, see instructions:
2. Set up a “DO NOT CALL” time for that day
3. Call in before the call-out period. Enter your information and choose option 4 to review or modify a "do not call time". This can be set for up to 5 hours from the time you make this call
4. If you forget to change your unavailability prior to the beginning of the call-out and the system calls you, press 2 to set a temporary "do not call time". This can be set for up to 5 hours from the time you receive this call.
5. It is important that your Schedule is set up so that the SFE system knows when to phone you. If you know that you will not be available for daily work for a period less than 3 consecutive weeks, it is important that you adjust your SFE profile so you do not receive job offers. This can be done via the web or phone.
6. Always ensure that your call back number is correct. To change your call back number refer to the Quick Reference Card (QRC) on the HELP menu within SFE, item number 3.
7. Do not engage the SFE phone line for long periods of time as this may prevent school administrators and staff calling in to report absences. You could miss an important job offer.

9. The best time to call the system is after 4:15 p.m. and before the evening call out, or any time after the evening call out and before the morning call out time. You may also call in after 12:00 noon to hear future jobs.
10. The best time to search for jobs on the web is after 12:00 noon, to see future jobs.
11. Use measured search parameters – i.e. search for jobs by week at a time instead of a month.
12. Be very careful when you are reviewing your jobs. Follow the prompts carefully so that you do not cancel your job in error.
13. Always press option 9 when you are exiting the dispatch system, to ensure that you end the call.
14. You should review your future bookings regularly to confirm that pre-booked jobs are still in SFE Be available to accept work regular, particularly on Mondays and Fridays.
15. Do not cancel jobs with little notice. If you must cancel a job at short notice, be sure to advise the school by phone as soon as possible.
16. Include only your TDSB email address in your SFE profile; do not use your personal email address.

Canceling a Job

SmartFind Phone: Call the SmartFind system (416-338-4500). Enter your tdsb employee ID followed by the # key. Then enter your PIN followed by the # key. Follow phone instructions for listening to jobs that you're booked for and follow instructions to cancel the job.

1. Always make a note of the **job number**. If there is a problem with your pay at a later date the OT-BU and the TDSB can help you **only** if there is a job number.
2. If you know that you will not be available to work on a particular day, please block yourself on SFE so the system will not waste time calling you for jobs. That will free up the system for your Occasional Teacher colleagues.
3. Simply turning off your cell phone DOES NOT make you unavailable. The system will continue to call your cell number, instead of phoning other Occasional Teachers. You must modify your unavailability on the system in the following way:
 4. Call in before the call-out period. Enter your information and choose option 4 to review or modify a "do not call time". This can be set for up to 5 hours from the time you make this call.

If you are unable to accept work for a period exceeding 3 consecutive weeks, please submit a complete Occasional Teaching Leave Form. If you know that you will not be available for daily work for a period less than 3 consecutive weeks, it is important that you adjust your SFE profile so you do not receive job offers.
7. Always ensure that your call back number is correct. Please do not phone in or use the web to search for jobs while the system is calling out.
8. SFE is in regular callout Monday to Friday daily from 6:00 a.m. to 10:00 a.m., Monday to Wednesday evenings from 6:00 p.m. to 10:00 p.m., Thursday evenings from 5:30 p.m. to 10:30 p.m., and Sunday evenings from 6:00 p.m. to 10:30 p.m.

10. The best time to call the system is after 4:15 p.m. and before the evening call out, or any time after the evening call out and before the morning call out time. You may also call in after 12:00 noon to hear future jobs.

14. Always press option 9 when you are exiting the dispatch system, to ensure that you end the call.
15. You should review your future bookings regularly to confirm that pre-booked jobs are still in SFE.

Sabrina's Law – Protecting Anaphylactic Students

What is Sabrina's Law?

Bill 3 – Sabrina's Law is named after Sabrina Shannon, a 13 year-old from Pembroke with a dairy allergy, who died in 2003 from an anaphylactic reaction after eating french fries which may have been contaminated with dairy.

On January 1, 2006, legislation was enacted to protect anaphylactic students in a school setting.

What is Anaphylaxis?

Anaphylaxis (anna-fill-axis) is a serious allergic reaction that can be life-threatening. Anaphylactic reactions occur when the body's sensitized immune system overreacts in response to the presence of a particular allergen. Anaphylaxis affects multiple body systems, including skin, upper and lower respiratory, gastrointestinal, and cardiovascular.

What causes an anaphylactic reaction?

Food is the most common cause of anaphylaxis, but insect stings, medicine, latex, immunotherapy, or exercise can also cause a reaction. Ninety percent of serious food allergic reactions are caused by:

Peanuts	Soy
Shellfish	Egg
Tree nuts	Wheat
Milk	Sesame
Fish	Sulphites (food additives)

What is Epinephrine?

Epinephrine – also know as adrenaline is the first line medication that should be used in the emergency management of a person having a potentially life-threatening allergic reaction. It is recommended that it be given at the start of any suspected anaphylactic reaction.

Sabrina's Law – Protecting Anaphylactic Students Continued

What schools are doing

- Schools have identified students with life-threatening allergies and individual plans for each anaphylactic student in consultation with the parent/guardian are in place for all school activities.
- Staff with regular contact with an anaphylactic student have been trained and are aware of the locations of epinephrine auto-injectors (Epi Pens).
- Posters are displayed in relevant/visible locations in the school.

Special considerations for elementary students

- Eating periods should be supervised by a trained adult.
- No "sharing" means no giving or taking food.
- Self-administration (age appropriate) of epinephrine – adults should always be prepared to respond.
- Proper hand washing before and after eating.

Special considerations for secondary students

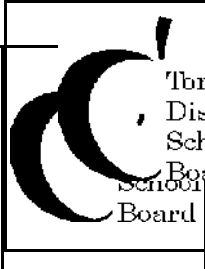

- These are considered "high risk" years.
- Teens may act impulsively, take risks, and not want to stand out or be different.

Common law ('good Samaritan') protects people when they provide emergency first aid in a reasonable and acceptable manner. Give epinephrine and call 911 is the medically recommended response.

What can you do?

Be informed. When you arrive at a school, ask if there are any anaphylactic students in the classes you are covering, and if so, what is the emergency response plan at the school.

Please refer to Procedure PR607_- Diabetes Management for information on the management of diabetes in schools.

▪ **Progressive Discipline and Promoting Positive Student Behaviour, PR.702**

To establish a framework to build, support and maintain a positive school climate that focuses on progressive discipline and promotes positive student behaviour. Progressive discipline is a whole-school approach that utilizes a continuum of interventions, supports, and consequences to address inappropriate student behaviour and to build upon strategies that promote positive behaviours. When inappropriate behaviour occurs, disciplinary measures should be applied within a framework that shifts the focus from one that is solely punitive to a focus that is both corrective and supportive. Progressive discipline is a process designed to create the expectation that the degree of discipline will be in proportion to the severity of the behaviour leading to the discipline and that the previous disciplinary history of the student and all other relevant factors will be taken into account. Progressive discipline must take into account the needs of individual students by showing sensitivity to diversity, to cultural needs and to special education needs. In addition progressive discipline must be in keeping with Ministry of Education and Board policies on antiracism, ethno cultural equity and antidiscrimination education.

▪ **Bullying Prevention, P.06_CUR:**

To establish a framework to enable, support and maintain a positive school climate. *Bullying* – is typically a form of repeated, persistent and aggressive behaviour that is directed at an individual or individuals that is intended to cause (or should be known to cause) fear and distress and/or harm to another person’s body, feelings, self-esteem, or reputation. Bullying occurs in a context where there is a real or perceived power imbalance. Bullying is a dynamic of unhealthy interaction that can take many forms. It can be physical (e.g. hitting, pushing, tripping), verbal (e.g. name calling, mocking, or making sexist, racist or homophobic comments), or social (e.g. excluding others from a group, spreading gossip, or rumours). It may also occur through the use of technology (e.g. spreading rumours, images, or hurtful comments through the use of e-mail, cellphones, text messaging, Internet Web site, or other technology).

▪ **Code of On-line Conduct, PR57:**

The TDSB provides on-line systems and resources for use by employees and students. All policies, procedures, codes of behaviour and rules of the TDSB apply to those using online systems and resources provided by or on behalf of the TDSB.

The TDSB takes appropriate measures to ensure the security of the facilities and information that may be contained in them and reserves the right to monitor the use of on-line resources by all that access the systems.

Inappropriate use of on-line access could result in disciplinary action that may include legal action and/or involvement of police.

▪ **Dealing With Abuse and Neglect of Students, P04:**

The Board shall have zero tolerance in all of its learning environments for physical, sexual and emotional abuse and/or neglect of students. *Abuse and/or neglect* refers to any form of maltreatment contemplated in the *Child and Family Services Act* and includes but is not limited to, physical abuse, sexual abuse, emotional abuse, exposure to family violence or neglect.

Supervisory officers, principals, managers and all other supervisory staff are accountable for implementing applicable Board safety programs, for complying with the Ontario Occupational Health and Safety Act, and for ensuring that workplaces under their direct control are kept in a healthy and safe condition.

Employees shall actively participate in meeting the Board's commitment through cooperation and shared responsibility as required by the Ontario Occupational Health and Safety Act and through the safety programs of the Board. Employees have a common responsibility for their own health and safety and that of others and are required to adhere to safe work practices and to report to their supervisor any unsafe or unhealthy conditions or practices. - **Police Reference Checks, SR2:**

The Ontario government released *Regulation 521/01* (now 322/03) which states that School Boards must collect a police reference check on all existing and new Employees, and on service providers who come into direct contact with students on a regular basis. Once a record check has been collected under this Regulation, school boards are required to collect, on an annual basis, "Offence Declarations" (a form to update a person's information on file by declaring any new criminal code convictions). The intent of the legislation is to ensure that schools and classrooms are safe places for students.

- **NEW! Social Media and Online Content Procedure PR735**

To help support staff in navigating these risks and responsibilities, the TDSB has recently developed the *Social Media and Online Content Procedure (PR735)*. This new procedure, developed with input from the board's unions, federations and associations, applies to all TDSB employees who administer, contribute to, or access official TDSB social media accounts or channels, including school, classroom and department accounts. The procedure also speaks to the importance of responsibilities associated with TDSB employees' personal social media accounts and online content when the information shared relates to the TDSB or may have an impact on the TDSB, its students and/or staff.

We ask all staff to please review the *Social Media and Online Content Procedure (PR735)* to ensure that you understand the responsibilities, expectations and professional boundaries of using social media. By following the expectations outlined in this procedure, we can all make sure that we're getting the most out of social media and the benefits it can have for student learning, professional development and personal use.

Dealing with Abuse and Neglect of Students

THE LEGAL DUTY TO REPORT

The law in Ontario requires that all individuals report abuse or neglect – witnessed, disclosed or suspected. This duty arises from Section 72 of the Child and Family Services Act.

EVERY person in Ontario, including a person who performs professional or official duties with respect to children must immediately report to a children's aid society ("CAS") if they suspect that abuse or neglect has occurred or if a child is at risk of abuse or neglect.

3. A person who has formed a suspicion of abuse or neglect must report directly. The responsibility to report cannot be delegated to anyone else.
4. A person who has additional reasonable grounds to suspect abuse or neglect has an ongoing duty to report. As such, you must contact CAS again even if you have made previous reports with respect to the same child.
5. It is an offence under the Child and Family Services Act for a person who performs professional or official duties with respect to children such as a teacher, psychologist, social worker, child and youth worker who contravene or fail to meet their reporting obligations. The penalty, if convicted, is a fine of up to \$1000.
6. The duty to report suspicions of abuse or neglect still applies even if the information is privileged or confidential. The only exception to this is solicitor client privilege.
7. All persons who suspect abuse or neglect and subsequently make a report in accordance with this section will be protected from legal action, unless the person acted maliciously or without reasonable grounds for the suspicion.

Advisories on Social Media, Professional Boundaries and Duty to Report

USE OF ELECTRONIC COMMUNICATION AND SOCIAL MEDIA -

This professional advisory is intended to help Ontario Certified Teachers (OCTs) understand their professional boundaries and responsibilities in the appropriate use of electronic communication and social media.

For the purposes of this advisory, electronic communication encompasses social media and other messaging forms that enable users to interact, create, share and communicate information online. For example, electronic communication includes, but is not limited to, messaging or video chat software, websites, apps, email, texting and blogging. It also includes social media networking platforms such as Facebook, Twitter and YouTube.

PROFESSIONAL VULNERABILITY

Ontario Certified Teachers can be vulnerable to unintended misuses of electronic communication and social media. Even the most innocent actions can be easily misconstrued or manipulated. The immediacy and simplicity of a text message, for example, may lead to longer, informal conversations that become personal. Social media encourages more casual dialogue. Rules may relax and informal salutations may replace time-respected forms of professional address.

Electronic messages are not anonymous. They can be tracked, misdirected, manipulated and live forever on the Internet. Social media sites create and archive copies of every piece of content posted, even when deleted from online profiles. Once information is digitized, the author relinquishes all control.

The use of the Internet and social media, despite best intentions, may cause OCTs to forget their professional responsibilities and the unique position of trust and authority given to them by society. The dynamic between a teacher and a student is forever changed when the two become “friends” in an online environment.

Ontario’s certified teachers should never share information with students in any environment that they would not willingly and appropriately share in a school or school-related setting or in the community.

Inappropriate use of electronic communication and social media can also result in a member being criminally charged and convicted, or facing civil action.

Electronic communication and social media can be used as evidence in criminal and civil proceedings.

Inappropriate online, email and telephone conversations between teachers and others, including students, colleagues, parents, employers, family and friends, expose teachers to the possibility of disciplinary action. Cell phone use, for example, is one of the largest entry-level gateways to the distribution of child pornography. Even one-time errors in judgment involving the exchange of photos, videos, audio recordings or comments of an intimate or personal nature may lead to a complaint of professional misconduct.

Inappropriate emails, texts and other forms of electronic communication have been used as evidence in disciplinary cases and cited in findings of professional misconduct.

Examples of inappropriate electronic communication include:

- intimate or personal texting with students
- inviting students to meet privately or without a valid educational context
- sending personal email or social networking contact information to students to communicate for personal reasons
- using informal and unprofessional language with students, such as profanity
- criticizing students, parents or colleagues openly on Facebook
- posting or forwarding content, links or comments that might be considered offensive, discriminatory or inconsistent with professional or ethical standards.

MINIMIZING THE RISKS: ADVICE TO MEMBERS

- As a digital citizen, model the behaviour you expect to see online from your students.
- Teach students appropriate online behaviour and the proper use of comments and images.
- Maintain professional boundaries by communicating with students and others electronically at appropriate times of the day and through established education platforms (for example, an authorized school web page rather than a personal account).
- Maintain your professionalism by using a formal, courteous and professional tone in all communications with students and parents.
- Avoid exchanging private texts, phone numbers, personal email addresses, videos or photos of a personal nature with students.
- Do not issue, and decline, “friend” or “follow” requests from students. Consider the privacy implications of accepting these requests from parents.

ACT PROFESSIONALLY

- Operate in all circumstances online as a professional – as you would in the community.
- If you are using a web page or social media site professionally with students, treat the space like a classroom. Apply the same rigorous professional standards.
- Consider whether any content may reflect poorly on you, your school or the teaching profession before you post it.
- Be transparent and authentic. Use your true, professional identity at all times. Even if you create a false identity, courts can compel disclosure of your true identity.
- Avoid online criticism about students, colleagues, your employer or others within the school community.
- Avoid impulsive, inappropriate or heated comments.
- Ensure that your comments do not incite others to make discriminatory or other professionally unacceptable comments.

TECHNOLOGY

Duty to Report

Each of us has a responsibility to protect children and youth from harm. As a professional educator working directly with students and supporting others who are, you have a legal and ethical duty to report to a children's aid society when you have reasonable grounds to suspect that a child is or may be in need of protection.

Ontario's *Child, Youth and Family Services Act, 2017* (CYFSA) requires those who perform professional or official duties with respect to children to report suspected child abuse where there are reasonable grounds. This requirement applies with respect to children who are under 16 . However, if you have reasonable grounds to suspect that a child who is 16 or 17 is in need of protection, a report may be made even though it is not required.

You don't have to be certain that a child may need protection. Suspicion on reasonable grounds – information that an average person, using normal and honest judgment would need to decide – is reason enough to report. You have to report to a children's aid society so that they can assess and determine what the child needs.
